## Membership Application

As a result of the keen interest of locals in harness racing, Mr C Archer convened a public meeting on 28 August 1946. At this meeting it was agreed to form the Rangiora Trotting Club (later renamed Rangiora Harness Racing Club). The club held its first totalisator meeting in 1948.

Today the Rangiora Harness Racing Club (Inc) is one of New Zealand's leading harness racing clubs and holds permits from the New Zealand Racing Board to run totalisator race meetings.

The "home" meetings are held at Rangiora during the daytime, usually during the weekends, whilst the meetings held at Addington are usually held under lights on Thursday or Friday evenings.

The Rangiora Harness Racing Club Committee is committed to:

- Ensure that the members annual subscription is great value and;
- Ensuring that the benefits members receive are also great value.

The support of members is greatly valued and appreciated by the Committee. As a result, the Committee are constantly looking for opportunities to increase and improve the benefits offered to its members.

■ Club members who use the "free bus" to Addington enjoying a birdcage photo opportunity.

■ Another great day of racing at the Rangiora Harness Racing Club.

The following are some of the benefits members can expect and enjoy:

- Free admission to all Rangiora Harness Club race meetings held at both Rangiora and Addington Raceways.
- Free "members only" reserved parking at Rangiora Raceway.
- A "members only" complimentary drink in the Birdcage bar at Rangiora Raceway.
- Free return bus trip to Rangiora night race meetings held at Addington. Pick up and drop off points are Plough Hotel (Rangiora) and Kaiapoi Working Mens Club (Kaiapoi).
- Complimentary drinks and brunch at the Annual General Meeting.
- Regular newsletters throughout the year.
- Subsidised "members only" offers when opportunities arise e.g. "members only" bus trip to the Ashburton Harness Jewels meeting.
